

ANNUAL REPORT

Gilbert Fine Arts Booster Club

2019-20

General Remarks

The 2019-20 school year was another excellent year for the Gilbert Fine Arts Booster club. We were able to fund many projects that contribute to the overall fine arts educational experience for students of all ages in the Gilbert school system. In 2019-20 we raised around \$26,000 and awarded or approved funding of around \$13,000. We will enter 2020 with a healthy bank balance and look forward to spending it to enhance the fine arts experience for all our students and faculty! You can see a breakdown of the funds in the bottom section of the report.

This year we saw an increase of \$5800 in our memberships, from \$11,000 last year to \$16,800 this year! We also introduced a Diamond-level membership of \$1000 for the first time. We continued to benefit greatly from the faithful service of Leo Timms who has spent countless hours sorting and returning bottles and cans on behalf of the Fine Arts and other student organizations. Thanks Leo!

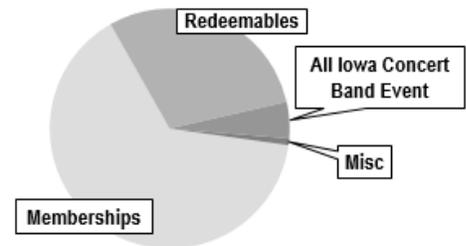

I want to thank the 2019-20 board members for their excellent service: Laura Bernard, Natalie Haverdink, Diane Janvrin, Christine Weydert, and Byron Tinder. This is the last year of service for the Haverdinks and also Diane who has been our treasurer for several years. We leave the board in capable hands as Laura will serve as the new president starting in the fall of 2020.

Respectfully submitted, Mike Haverdink, President

Income Sources

The Gilbert Fine Arts boosters were funded primarily this year by member donations and redeemables. We also hosted the All-Iowa Concert Band event in the fall which generated some income from food sales. Thank you to all of our members for your donations!
