

Thursday April 14, 2016 Fine Arts Booster Meeting

Present at the meeting: Mike Haverdink, Natalie Haverdink, Becky Reger, Jen Weber, Diane Janvrin, Angela Shaw, Pam Vandenberg, Leo Timms, and Laureen Borg

The meeting began at 7:00pm and the March Meetings were approved.

Sign up genius for athletic concessions: With 5 nights left to do for concessions, we have had a successful year of parental volunteerism to benefit the fine arts at the school. We have earned our money from the Athletic boosters this year with our work efforts, thanks to everyone who has helped. Both Mr. Tinder and Mrs. Rogers have sent the link out to families of band and choir. Leo is the one who monitors the sign-up sheets. Also, the speech and art club parents will be encouraged to also sign up for these concessions in following years.

Treasury Report: A detailed sheet from Diane is forthcoming. We have about 14,500.00 in our account at this time after expenditures.

Redeemables: Pam stated that FCCLA will benefit from this for the months of May and June. They will need this for nationals this summer. Leo Timms offered to coordinate the redeemables starting in the fall season. We considered paying someone to drive over the product to Nevada next year.

Large Group Contest/ sign up genius/ volunteers:

*Bonnie is bringing 3 blenders to help with smoothies for the large group contest day/night.

*We have shifts set up and volunteers will be giving several hours with each sign up.

*We will have a hot food line and menu: chicken sandwiches, walking tacos, saucy southerners, hot dogs, rice krispy treats and brownies, etc. along with 3 kinds of smoothies.

*We will have 6 judges present and will prepare a room of rest for them as well as give each a gift from our fine arts booster group

*Food drop off on Thursday before the big day on Friday. We are also accepting donations of money to help with the food purchases.

*Mrs. Rogers and Mr. Tinder will help prepare the volunteers for room monitors and door guards.

FAB Scholarship Update: This is to be a work of non-senior parents to evaluate the applicants for this year's scholarship winners. Applicants have until May 2, 2016 to turn in their papers. Laureen will take on this project for this year. We will receive both manual and electronic applications. Both Mike Haverdink with the FAB website, and Mr. Jacobson will receive these applications. The judges for this year will have several days to evaluate and then meet to discuss the results. The board will consider the results. We need to be done before May 16th, the senior award night. Laureen will make packets of every application and give them to the judges. These applications are not named but numbered.

Adjourned.
