Treasurer's Report - The ending balance was \$21,435.94 with \$2,378 of outstanding checks and commitments.

Membership Report - 50 members, \$9,300

Old Business:

Variety Show - it was worth our time to have Jen signing up new members at the Variety Show. We ordered double the amount of cookies.

Band - 11 kids got in SCIBA which is the most ever! We had the highest participation of any 3A school with 26 kids auditioning. The marimba has been purchased and received. Diane will follow up with Gayle to get the Vandenberg and Baker scrip money (audit is mostly done).

Redeemables - 2 band kids have been doing it, more can. Then FCCLA, after prom, dance team and thespian club will get a chance

Scrip - talked to Mr. Beecher about Foundation doing it

Amazon Smile - we are still looking for the 501C3 form

Round Up - HyVee is on the local level so that would be easier, Caseys and Fareway would be harder. We need to have a specific cause/goal.

New Business:

Concert - Kathy Houseman and Chris Brinkmeyer are selling tickets on Monday

Teacher donations - Teachers appreciated what we got for them. Luis, Jen and Angela will form a committee to talk about how requests will be funded.

Other:

Mrs. Beecher asked for costume money (\$500) for the Middle School Musical, Beauty and the Beast. We gave her \$513 for royalties instead. She can use her budget for costumes.
