Fundraiser Idea: Dhuha Akili had contacted Natalie via email about a possible fundraiser "Bingo for the Band" for the Gilbert Fine Arts Programs. This would happen in Fall 2019 with the potential of raising \$5000. Kaaren suggested a new piano for the Middle School. The last time it was tuned, the tuner said it was time to be replaced and Kaaren strongly agreed with that. We will give the last 8 remaining tote bags to Dhuha for prizes at the fundraiser. We will be open to other ideas for the funds to be put toward.

Future Meetings: Mike suggested inviting one Fine Arts Staff person to each meeting and receive an update on their department from them with the goal of getting to know our fine arts teachers better.
