Chicago Trip--Byron asked for a van to transport the instruments in since the under storage will be full of luggage. Vandenberg's offered to drive their van to transport the 60+ instruments. Boosters would pay for their gas. The Chicago music trip will be having T-shirts, as well.

Officers--Election of new officers is in June or July. PLEASE consider serving another year. :)

Financial Report--We currently have \$11,500 in the account.

Super Savings Cards--As of April 12, we have sold 90 cards which is \$630 profit for us. We need to turn in extra cards and money to the E Free Church on Thursday, April 25. They graciously let us sell through the Spring Play. We will buy some extra cards to sell at the remaining concerts and to leave in the offices with the secretaries.

Next meeting is Thursday, May 2 at the High School ICN Room at 7 pm.
