

Gilbert Fine Arts Boosters Meeting—Aug. 9, 2018 Meeting Minutes

In attendance: Mike Haverdink, Natalie Haverdink, Diane Janvrin, Byron Tinder, Kaaren Rogers, Diane Hinderaker, Jana Staudt, Leo Timms

Redeemables: Leo gave an update on summer redeemables. It has been a great group of student groups with cheerleaders and gun club assisting him. Last year they made \$8000. He asked if FAB wanted to take a couple of months to do the work and receive the funds. Leo also wondered if FAB would be doing more concessions to earn money. Mike will ask Stacy Dreyer, the Athletic Boosters president. They did not need FAB assistance last school year.

Annual Report: Mike produced an annual report for 2017-18 to display the different areas and amounts FAB has been funding at all four schools. Thanks Mike! It will be posted on the website and sent out to members in an email.

Funding requests: HS Drum Major pants--\$46.95. We are starting to think about the need for a scissor lift for the Auditorium which is in the \$10,000 range. Mike will email all fine arts faculty so they are aware of funds available to assist them and will also include the option of having their students/clubs work the redeemables as another way to raise funds. September 14 the ISU Marching Band will join our students for the Half Time show. There will be a 4:00 rehearsal with Gilbert bands then we will need to feed the 350 ISU band students. Byron requested hot dogs, chips, cookies, water as done in the past.

Memberships: We have received some already with parents registering their students for school on line. There are 3 dates for Parent Nights to encourage memberships:

Aug. 20—HS Freshmen/New Student Orientation (Diane Janvrin)

Aug. 27—HS Meet the Teachers Night (Mike & Natalie)

Aug. 28—MS Parent Night (Diane Hinderaker)

Treasurer's Report: As of Aug. 8, 2018 the balance is \$15,513.08. Estimated payments for approved items is \$7,882.83.

Auditorium Tech Position: Mike has been advised by Brian Torresi about getting a contract in place for Chris Johnson for the 2018-19 school year. We will file with Secretary of State to incorporate. Chris's skills have been very valuable to our performances in the auditorium using his knowledge and helping educate the students in the sound booth. Mike will be in contact with Chris.
