

Notes for June 2, 2016 Fine Arts Booster Meeting.

- Meeting called to order at 7:00pm
- Attendance: Angela Shaw; Jenni Thene; Wendy Nutini; Diane Janvrin; Pam Vandenberg; Luis Rico-Gotierrez; Byron Tinder; Kaaren Rogers; Shelly Billings; Lauren Borg
- Notes were approved for last board meeting in May
- Year End is June 30, 2016:
 - From our treasury, Diane stated that the money has not all come out yet from the decided yearly budget. She listed the art supplies, the drama cubes or boxes; and the rest of the music purchases as still outstanding. It was decided the music would be completed and the drama cubes/boxes will remain open for the fall season.
 - Wendy Nutini: She asked the board to help with the reimbursement for the medals and awards given to the Middle school students at the end of the year. The total was 583.00 (433.25 for the medals and band master district of 150.00). The board voted and seconded the motion. She also let us know that the panels for the band room at the middle school were here and ready to install, which will help significantly with the sound volume in that room during practices. The FAB will not be covering this.
 - Request for CY Stephens trips: The PTO has requested help with the elementary school field trips to CY Stephens plays for the next school year. They were asking for 1300.00 to cover this cost as the state cannot charge students to go to these shows. After discussion, we concluded this is part of our mission for the Arts in school, and motion to approve and second to adopt occurred. The payment will be directly to CY Stephens up to the amount of 1300.00.
 - Pam offers donation: Pam Vandenberg, a wonderful supporter and worker for the arts in our high school, has offered her left over script money to help buy a new marimba for the band. She would like her money ear-marked for this cause. We discussed where to buy this and about how much it would cost, and we appreciate her care and hope to accomplish this.

- All State Camps: We have a record number of singers going to the All-State camp this summer at Wartburg College. There will be 15 students attending this summer. Also, the FAB offers 75.00 to students for each music summer camp they attend. This will continue to encourage fine music growth in our schools.
- There was a request for reimbursement for the 5th grade band pins for a total of 169.30. This motion was approved by the board.
- New Board Members for the coming school year 2016-2017:
Angela Shaw: President
