

Notes for our Fine Arts Booster Meeting, March 9, 2016.

This was the fastest meeting of the year. Bart Borg took notes for Laureen who was in California at the time. The previous minutes Laureen has and were approved by Shelly Billings.

Attendance: Shelly Billings, Pam Vandenberg, Sarah Day, Diane Janvrin, Audrey Schwartz, Jen Weber, and Bart Borg.

1. Membership report: one new member so now it is at 60 total! With over 100 students involved in the arts and music, we have more possibility of parent involvement.
2. Treasury report: The balance as recorded by Treasurer Diane was 20,900.00. There is 3,915.00 HOIAC income and expenses of 2,603.78 so the total left is 1,311.22 for HOIAC.
3. HOIAC report and evaluation (Pam): Donation to fire station for HOIAC use of facilities was 100.00 suggested. Also, water bottles and Hickory Park's 'saucy southerner' was left over and will be saved for the large group contest coming soon. The ice cream social is using some left overs and members were very happy with the lunch and dinner for this event. Thanks to Pam for working so hard to make it all happen smoothly.
4. Repurposed Band Uniforms: Pam updated us on these bags, and purchases have slowed down. There are 17 Tiger bags and 8 Gilbert bags still in inventory. They are being sold at the Tiger store and also promoted at the Bingo for books event. Still, it is a great way to take our old outfits and do something constructive with them.
5. Recycling with Gilbert: The March and April months of recycling are for the After Prom event. After this, we will want some help to continue having this for a money maker for the fine arts at our school.
6. May Large Group contest: This will be held at May 6, 2016. Leo will do a sign up genius for this event to get helpers.
7. Other: Shelly Blume asking if we can provide passes at the Rock Hop for 2016-2017? The answer was No, but a certificate redeemable for 2 passes will be provided and Jen will follow up on this certificate.
8. The meeting adjourned at 7pm, and no date was given for the next meeting.
