

Notes for May 12, 2016 Fine Arts Booster meeting

We did not get attendance, but I will list those I remember at the meeting: **Mike Haverdink, Natalie Haverdink, Becky Reger, Jen Weber, Diane Janvrin, Pam Vandenberg, Jane Weaver, Mr. Tinder, Mrs. Rogers, and Lauren Borg**

Large Group Recap: Bonnie Pohl from FCCLA helped and we thank her. We did not pay for 'saucy southerners' as it was left over. All the volunteers worked well, and the singers/teachers and judges did their best for a wonderful day and night. The profits after expenditures was about 3500.00. Pam Vandenberg worked hard for this event, and has been a blessing to the Fine Arts Boosters for all these years, we thank her. She had prepared for the ice cream social, but we have a change of plans for that.

Ice Cream social: The Awards Ceremony for the Arts was changed to have more students present. It will be held May 24, 2016 during the Success center time during the school day. Afterwards, ice cream bars will be served to everyone in attendance. Parents are still invited to this event. This is specific to choir and band as the speech and art groups have already gotten their awards. We expect about 200 ice cream bars to be served.

Redeemables: Pam is leaving this to others who would like to continue this money maker for the Arts Boosters. Bonnie Pohl is doing the recycling for the summer for FCCLA. Leo Timms offered at the last meeting to possibly coordinate this project. In the fall, we will need to decide what to do. We thought about hiring someone to do this for us, as we do make a lot of money on this for the boosters.

Script: We will need coordinators for this project for next year. Jen has done this as well as Maria Hart.

Scholarship Letters: Jane will ask Byron to announce the Arts Booster Scholarship winners for the Senior Awards Night. We selected and approved five winners out of 16 applicants. Everyone was worthy who applied for this scholarship and the decision was not easy. We appreciate the 9 judges who evaluated every unidentified application. The board determined to award the winners with 500.00 each. Lauren will pick up the checks, print letters, and enclose each award, and give to Mr. Tinder for the Senior Award Night.

Tote Bags: Pam has been selling these through the year, and Lauren took them home, to continue the selling until they are gone. These totes are recycled band uniforms.

Our next meeting will be June 2, 2016 at 7:00pm. Adjourned.
