

Notes for November 12, 2015

Fine Arts Boosters attendance: Jane Weaver, Jen Weber, Leo Timms, Natalie Haverdink, Mike Haverdink, Layne Billings, Shelly Billings, Byron Tinder, Pam Vandenberg, Tanya Hargrave-Klein, Diane Janvrin, Laureen Borg

Shelly Billings called the meeting to order at 7pm and asked for changes or corrections to the October minutes. No additional changes were made and the minutes were approved.

Regarding the upcoming Musical, Calamity Jane:

Refreshments were discussed and Shelly Billings ordered 30 dozen cookies from HyVee and may order more after the first night performance. Cookies will be served during the intermission.

The seats available for this musical is about 598 per night, and we are hoping for a good turnout. Jen Weber will be at a table near the tickets table for membership sign up to the Fine Arts Boosters.

Musical Programs: The programs turned out great, with Sara putting the ads and the shout outs together for the printer, Alpha Copies. We made over 800.00 on the program sales and the cost was about 400.00 with about a 400.00 profit. (Numbers not precise- did not have the actual numbers on this).

Athletic Concession Results:

Leo Timms said that the commitment to the Athletic Boosters is halfway done! We will again assist with concessions for the track meet schedule in the spring. There has been 1500.00 made so far for the Fine Arts program because of the efforts of many parents/guardians willing to step up for this cause.

Band Uniforms redone!

The old uniforms have been shipped (25 of them for first order) and company in California is making them into tote bags to sell at the Gilbert High School. Prices are not exact in this but the cost could be about 32.00 and then to be sold around 50.00. Thanks to Pam for working on this project over a long period of time.

Allstate Camp Reimbursement

Kaaren Rogers reported that 7 individuals would receive a 50.00 reimbursement for All State preparation. Diane has passed on the checks to these students.

Membership Report and Treasurer Report:

Jen Weber reported that 41 new members have signed up recently to the Fine Arts Boosters. Diane is handling the money for these new members. Diane gave us an account activity for the

period ending November 4, 2015. We have healthy numbers estimated for December 1, 2015 after the payments for November are made. Many of these payments scheduled were approved in the June meeting. Estimated ending account balance as of December 1, 2015 is 9,608.07.

Other News:

The band caroling in Gilbert neighborhoods is under discussion. Byron Tinder will determine if this can be scheduled. Pam will organize refreshments with volunteers.

The Berets are a hit in the marching band! The Pep Band has the opportunity to perform on December 22, 2015 in Hilton for a women's basketball game which will be at 2pm! SCIBA auditions are coming December 3 and 27 students are going. Drake Honor Band will have 12 students involved from our school. This is competitive to get into, and quite an accomplishment. **Our next meeting will be December 10, 2015 at 7pm!**
